Excerpt from John A. Bross Memorandum for the Record, 1 August 1966

25X1

The DCI undertook to examine the NSCIDs and DCIDs and report which, if any, of these required modification. Mr. [redacted] 25X1 reported that existing arrangements with respect to ELINT in [redacted] do not conform to the provisions of NSCID 6. It was 25X1 not clear to me whether this was supposed to be evidence of a need to change the NSCID or to change the arrangements. [redacted] said that existing responsibility for the production of economic intelligence did not conform to the provision of NSCID 3. I believe in fact escape clauses of NSCID 3 do cover existing arrangements but the point should be examined.
